Church; Dr. Wm. Jenkins, Baptist Church; Dr. C. T. Tilman, Baptist Church.

In an address by Dr. Grant to the conference, he advanced the idea that Bishop Hurst had made the Eleventh Episcopal District a fit place in which to live; said we ought to love the bishop and Mrs. Hurst for what they have done for Florida; that the A. M. E. pastorate offers an opportunity to sweeten he life in service and uplift of the people.

He suggested to the brethren that they keep a sweet temper as it might facilitate their own sweet temper at the conclusion of the conference.

He further said that with the passing of the years all had realized the worth of the bishop we have.

That Mrs. Hurst and the bishop aim that we shall bring into action the best in us; that we have learned that wading streams, crossing streams and climbing mountains, have not hurt any of us, and that Bishop Hurst is bringing forth a breed of men who will do their duty or die.

Rev. Akery led "Everything Is Getting Better Now."

Dr. Johnson, in his address, said that in South Carolina the church received Bishop Hurst with delight, promising to work in peace and pay the debt of Allen University off; that Bishop Hurst is building a light house in Theological Seminary that will send a light in all Florida, to which men of other denominations would come to its light; that Mrs. Hurst is going through the state doing no little to help the ministers.

(That he would be pleased to associate his efforts in uniting the forces of Georgia and Texas with the forces of Florida in help putting Dr. Grant on bench of bishops and that Bishop Hurst ought to be brought back to Florida for the work he has done.)

In the address of Dr. Wilkins, of Georgia, he said it was a pleasure to come to Florida; that he believed that all of our bishops are good men. That all worthy A. M. E. preachers ought to desire to be a presiding elder. That speaking as a Georgian for Georgians; that they and he believed that Florida ought to have a bishop at the next General Conference as they raise more money per capita than any district in the church.

That the Ministers Union of Atlanta told him to say to Florida that they are with you; that he believed the whole church ought to be fair and give you a bishop; that Bishop Flipper is with your bishop and the brethren of the conference; that Bishop Hurst is a Godsend to the conference; that the bishop is a good man with a good parentage behind him and Mrs. Hurst; that Bishop Flipper is a good man; said he let Florida and Georgia stand together and take God into our business.

Rev. Shep Hunter led in singing "Lord Plant My Feet on Higher Ground."

In the address Dr. Alonzo Scott, the idea was advanced that the example of married life of Bishop and Mrs. Hurst was splendid material for the lectures; that the average negroes do not know how to treat a wife; that no infidels being in the race brought them delight.

In address by the bishop, he touched on "Negro Life and History" by Dr. Carter G. Woodson, saying that he contributes \$100 (One Hundred Dollars) each year to this worthy cause; that by his request Dr. Woodson had sent some of the books to this conference; that they only cost \$5.25, containing some of the best literature produced by the race.

The negro year book shared also worthy notice.

Rev. Hatcher gave the conference an opportunity to obtain pictures of the ministers who attended the last summer seminary.

Doxology.

Benediction, the bishop.

Wednesday Evening, January 27.

A penny offering was taken by ushers.

"Go Forth Ye Heralds in My Name," was lined by Dr. Grant.

Annual missionary sermon.

The bishop introduced Dr. Collins to preacher the missionary sermon.

Prayer by Dr. Collins, afterward he selected as text Mark 16 chapter, 15 verse:

"Go ye into all the world and preach the Gospel to every creature."

In the course of his remarks he said Saul was dethroned because he was not fitted for the throne.

David enthroned because he was fitted; that the church has need for lionhearted men; that the gospel heralds of the past were mighty men of valor, worthy to be captains of a mighty host, not all of culture but of character as well; that the world is sick and needs a healing power; that there is nothing like the cleansing power of religion; Buddhism, Hinduism and philosophy were contrasted with religion. The conclusion drawn that all pales and fades beside religion.

He said too long the missionary has been looked on as a never-do-well who has failed everywhere else. That the present day opinion is that the missionaries of the past were of heroic mold, such as Wesley, Whitfield, Cook, Allen and Grant.

That our missionaries may find work of service on our streets and in our hospitals instead of beauty.

That life is a dedication of service to the world's redemption and that the Christian is the custodian of the world of thought; that the Egyptian civilization fell because they forsook the teachings of the religious leaders, and that the religious leaders hold a big place in life of the nation. Said he, the religious leaders must know God. Rev. Wesley had a vision toward God, so must our brethren have; that Geribaldi said to retreating French soldiers, "Go back to the battle lines." They asked, "What have ye to give us?" He said, "victory." They returned and conquered. In a burst of eloquence he said Christ in more assurance offers victory to those who will follow him.

The choir chanted the Lord's Prayer.

An offering of \$50.55 was taken for missions by Drs. Hawkins and Dickerson.

See local program.

Doxology.

Benediction, Dr. H. M. Collins.

Thursday Morning, January 28. Second Day.

Prayer by Rev. S. G. Aiken.

Rev. McKnight led, "What a Wonderful Change Has Been Wrought in My Life."

Scripture lesson, Rom. 13 chapter, 1-14 verse.

Dr. Grant led "From All That Dwell Below the Skies," and afterward the decalogue.

The conference joined in singing hymn 370, "My Soul Be On Thy Guard and hymn 223, "Amazing Grace, How Sweet the Sound."

Rev. L. B. Burnett, a retired pastor who had served the church 30 years, addressed the conference.

Rev. Washington led "I Feel Like Shouting."

Dr. Grant requested the ministers who had been in continuous active service to stand. The following arose: Revs. Albert, Wilkerson, Larkins, Allen, Wilkins, Morris, Lonzo, Collins, Tanner, A. A. White, Archer, Moore, Flemming, Hawkins, and D. J. Jones.

The conference joined in singing "When the Mist Has Rolled in Splendor," "Nearer My God to Thee," and "I am Shouting On."

In an address by the bishop, he said we are proceeding on in good old Methodist fashion; that we are having an excellent conference; that the Lord's presence entered with the opening sermon and continued with evening sermon and was present in the local program.

The minutes of previous sessions were approved.

Reports from several districts were continued as follows:

Ocala District, Dr. C. S. Long, presiding elder; Suwannee District, Dr. L. Dickerson, presiding elder; High Springs District, Rev. G. W. Hawkins, presiding elder.

Visitors were introduced as follows:

Dr. E. J. Jackson, presiding elder, Palatka District S. Conference; Dr. R. T. Gordon, presiding elder, E. Jacksonville District E. Conference; Bro. J. J. Dickerson, layman, Madison Station; Dr. R. B. Sutton, Palatka Station, South Conference; Dr. J. D. Jennings, presiding elder, South Jacksonville District, E. Conference; Rev. M. Bell, Varine Mis, Fla. Conference; Dr. Fulton White, Perry Station, Florida Conference.

Dr. E. J. Jackson, while addressing the conference, promised a pleasant entertainment to the bishop and conference at Sanford.

He said if the A. M. E. Church fails, the race will fail; that the church will hold her own.

Dr. Gordon, in his address said: The bishop is champion cabinet maker; that Eleventh Episcopal District should be proud in having Bishop John Hurst at its head; that he has made the church in Florida what it is today; that he believed we all ought to stand behind Dr. Grant; that he had two things uppermost in his mind; that is to bring Bishop Hurst back as bishop and to elect Dr. Grant as bishop and that he was also in favor of leaving the field open for Dr. Grant.

No bishop's wife has been here to help the bishop and brethren of the state more than Mrs. Hurst has done.

Dr. C. S. Long having been given the chair.

Dr. J. D. Jennings addressed the conference as follows: "I owe all I am to Bishop Hurst and God; that when the bishop is out of the state he looked on the presiding elder as bishop; that he prayed that the bishop be returned to state and that Dr. Grant be elected to office of bishop; that under the advice of Bishop Hurst the men had gone forward and gotten influence and money.

Dr. Shep Hunter spoke as follows: Said he, the bishop took me nine years ago from this conference held in this church; that we bring greetings to you that we are going to make the bishop happy at St. Augustine; that on Friday night of Christmas week at church, of which he was the former pastor during the quarterly meeting, he raised his assessment and left for the pastor over \$300.

That when Bishop Hurst came to the state twelve years ago he was at work in a phosphate mine; he picked me up and put me where I am today. No man can make me betray my trust to the bishop and Mrs. Hurst. He said Dr. Grant has in me a friend. I'll support the administration of the bishop and Mrs. Hurst.

Dr. Long gained the floor and said that he did not want to take the time of the conference, but that he had heard the very same talk four years ago; that they were all the same in substance; that he was never so much surprised as at the last General Conference; that only wicked men will say wrong things of the bishop. He said, Bishop, your enemies have brought to the surface the strength of your soul.

[The visitors of the conference were informed that Dr. Wilkerson is the agent of business department and Rev. Hatcher had Negro Year Books for sale.

Prayer by Dr. Kelley.

After which he led in singing "I'll Be Present When Roll Is Called."

"Blessed Are the Pure in Spirit" was sung by the congregation.

The following divines were introduced to the conference:

Dr. J. B. Blacknell, who said this was the best conference in his recollection, as there are no rows and no missed moneys.

Dr. T. C. Calhoun said that the bishop had led him from a \$20.00 appointment to his present pastorate; that E. W. College is peer of any of the church colleges; that the days of few men running conference, strong drink battles and money losing days are over and said he, let us thank God for Bishop and Mrs. Hurst's leadership.

Dr. Sutton said that he had tried to do what the Bishop and Mrs. Hurst had asked. That the hope of the race was in the A. M. E. Church. That the Bishop had opened our eyes on literary lines. That the minister must be a student if he would keep up in the procession of tomorrow. That Bishop Hurst lives in the day of his grand boy. That he believed that Florida ought to keep Bishop Hurst talways since he has developed the church here so well. That I have never seen Bishop Hurst strike a man who was doing his work. He closed by saying, Bishop, the laymen will stand by you.

The Bishop introduced Dr. Calhoun, who made an address. He used as a theme, Job 3rd chapter, 8th verse, "There is a Spirit in Man." He discussed education in the phases of mentally, morally and physically sound. He said if the race reaches its place more attention must be given to birth control; that at Edward Waters College more attention is given to those things which make better, wiser, stronger race; that men just after the war were larger, healthier and stronger. Now they are small and weaker. Some of the men who he advanced who are outstanding are Crogman, Kelley, Miller, James, Weldon, Johnson and Carter G. Woodson.

He said he thought in spiritual that evil thought is inspired by the devil; holy thought is inspired by the Lord; wrong thought ought to be suppressed; that which ever race did not keep pace with progress of enlightened races must be wiped out; that the education of this race is in our hands; that people educated must rule, be they white or black; that people not educated are enslaved for the necessities of life.

All must serve the banker, scientist, teacher, preacher, farmer and laborer. Men ought to serve for the love of it, and not from necessity. That the trained man has power and that he can not be held down; that knowledge lifts man to the likeness of angels and that ignorance degrades him to plane little higher than animals. His parting admonition was known about your line.

Selection by the college orchestra.

Dr. A. B. Cooper, President of E. W. College, gave the following statistics of E. W. College, Jacksonville, Florida:

Second Ordination of Moses.

He said as Moses had traveled he received his second Ordination when the law was given to him. Build as the Lord directs and not as man desires, said he. God wills that the preacher live with the people but must climb up where God is on the mountain.

Get true religion which is written on the crevices of the heart. In 6,000 years no man has written as well as Moses, Take heed that thou build man or civilization to plan of God. He said Egypt, Assyria, Babylon, Rome, Greece and other great nations fall Demothenes, Plato, Alexander, Ceasar, Cicero, because they failed to build on God's plan fell also.

He advanced the idea that France with her Napoleon and Germany with her kaiser fell. And now all the world looks to America. But I tremble for America as my nation does not recognize the Fatherhood of God and Brotherhood of Man. She may reign for a thousand years, but she must come down. As right is right—God is God. And before God calleth the world to order—Right is going to reign. He said God wanted men to build on his church and on his plan. Mountain top climbers to stand in the presence of God until his radiance shine in their hearts—we to go up on the mountain top and drink from the golden goblets of God and not from the mud puddles of earth. That we must live in higher atmosphere of God's trees and shake down the manner dawn. He said God is sending you to build a civilization—a church. Strip yourself. Let God build his plan; put his garments on you and the crown will life you as God made it.

To the Bishop and Members of the Middle Fla. Conference:

We, the members of the Second Year Committee, have the following Brothers before us: J. H. Hammond, L. B. Roberson, James Pryor, W. W. Allen, A. Bing and L. D. Jones. We find Bro. Bing attended the 1925 session of the summer school at E. W. C. and being recommended by that faculty, and that Bro. L. D. We also have before us Bro. W. W. Allen for local orders, coming well recommended by his pastor and President. We therefore recommend that he be ordained local deacon, and that Bro. J. H. Hammond and Bro. James Pryor and L. B. Roberson remain in class. We advise that they attend the summer school at E. W. C., that they may have a better knowledge of the work they have to do.

Committee: W. C. Brady, L. Dickerson, H. B. Barkley.

REPORT ON STATE OF THE COUNTRY

Live Oak, Fla., Jan. 30, 1926.

To the Rt. Rev. John Hurst and Members of the Mid Fla. Conference:
Greeting:

The year rolls around and steals away the breath that first it gave. Favored by Providence, our country has all the wheat, corn and other cereals she needs.

We have cattle, hogs and meat enough to spare even in Florida. The coal mines are begging for labor. The iron and steel plants have a 60-80% capacity output. It being the barometer of business of the country, it forecasts 1926 will be a business hummer.

Our state of this section of country is specially favored. Through railroad extensions and hard road programs, not hardly equalled in our day by no other state. To this can be added industrial activities which surpasses the vision of the best informed of today. The business prophets proclaim that the end is not yet, even 1926.

Man now hauls his mail and express over the pathless tract of the air, and the journey from Jacksonville to Tampa by wire road which requires three days to go by stage coach, is now navigated in less than three hours.

The war dogs of Europe went to sleep at Locarno after eight years of peace.

Our country need not be disturbed by the yelps of the vices of Mexico and South America, or lose any sleep over the one and half million babies born in Japan this year.

Thanks for the spirit of Christ in New York State which put its stamp of approval on sacredness of marriage ties.

There will be no prohibition question when all the laws are enforced under the Constitution.

The good men of the country who have been favored above their fellows are proving to be the Lord's stewards in pouring their millions in Cathedrals and schools for the masses and colleges for the class, our own Kitrell College the first to make a new epoch, in which the trustees are colored, to direct a million dollars.

Sixteen more men would not have been lynched, but now living to help face the perils which await this country.

If all our land loved their God supremely and their neighbor as themselves, I believe that if the 12 or 20 million Negroes in our country would heed the advice of Rt. Rev. John Hurst as the men of Florida have done, there would be as much improvement in the condition of all as has come to the race in Florida.

J. D. MOORE.

RESOLUTION

Whereas, Bishop John Hurst has presided with grace and impartiality, the deliverance of this, the best Conference ever held in this State of Florida, and,

Whereas, as his distinguished wife, Mrs. K. B. Hurst, and the Sisters of the Missionary Society, have done so much to cheer the hearts of the humble mission preachers, and,
